6

Labs ready today, with more on the way

LAB SERIES

Start with yourself. Add your teen when they're ready.

You watch the Parent Lab first. Your teen gets their own lesson on the same topic when the timing is right.

The six Labs you can start today

The Lab name is the title. The line under it is for you: what to know, and how to help at home.

- **T** TRANSITION
- **E** EMPOWERMENT
- **A** ATHLETIC MINDSET
- **M** MANAGEMENT
- **S** SOCIAL

TRANSITION

Middle School Preparation and Survival

Middle school changes everything. Know what's coming and how to help before it gets hard.

TRANSITION

High School Preparation and Survival

Higher stakes, more freedom, less talking. Stay connected through the high school years.

TRANSITION

Pathways After High School

College, trades, work, or a gap year. Help them choose a path without choosing it for them.

EMPOWERMENT

Peer Pressure and Social Value

What to say when fitting in starts to matter more than doing right.

EMPOWERMENT

Self Esteem and Knowing Your Worth

Build their confidence in ways that last longer than a compliment.

EMPOWERMENT

Finding Your Voice

Help a quiet or unsure teen speak up for themselves, at school and at home.

WHO IT'S FOR

Built for families, co-ops, and schools

Same Labs organized by the T.E.A.M.S. Series—flexible household pricing for families, partnership options for co-ops, and customized plans for schools. Created by Coach Walker (educator, administrator, mentor & coach with 20+ years of experience).

HOMESCHOOL FAMILIES

One purchase for multiple learners

Siblings in the same household can complete the same Lab under one family plan—each student at their own pace. Complements your existing curriculum (Flexible · Self-Paced · Parent-Supported).

- ✓ Flexible Around Your Schedule
- ✓ Practical Life Skills That Complement Academics
- ✓ Parent & Student Learn Together
- ✓ Household Pricing for Siblings
- ✓ Self-Paced Learning · New Labs Added Regularly

View Family Pricing

CO-OPS & MICROSCHOOLS

Partnership pricing for groups

Bring the Lab Series to your students as a character and life-skills curriculum. Labs release in installments at a pace that matches your program.

Organization	Students	Annual
Small Co-op	Up to 20	$799
Growing Co-op	21–50	$1,599
Microschool	51–150	From $2,999
Larger Organizations	150+	Custom

PARTNERSHIP INCLUDES

Unlimited student access · Parent videos · Workbooks · Assessments · Certificates · Teacher & parent resources · Priority support · New labs as released

Contact About a Co-op Partnership

Partner Schools

Helping schools build confident, responsible student leaders

Partner with T.E.A.M.S. Coaching to strengthen communication, leadership, responsibility, resilience, character, and purpose—alongside your educators and families.

A growing library of **26 Digital Labs across 5 T.E.A.M.S. Series**, released in installments so your campus library keeps expanding. See the Series catalog.

The Partner School Model

1 Lab Series

Engaging, self-paced Labs across the T.E.A.M.S. Series for practical life skills through relatable instruction and real-world application.

PERFECT FOR

Advisory · SEL · Character Education · Freshman Transition · Counseling · Leadership · College & Career · Athletics · Small Groups

2 Facilitator Guides

Everything teachers, counselors, coaches, and mentors need to lead meaningful conversations—ready to use with minimal preparation.

- ✓ Learning objectives & lesson overview
- ✓ Discussion questions & reflection activities
- ✓ Extensions, real-world apps & follow-ups
- ✓ Assessment key & implementation tips

3 Campus T.E.A.M.S. Coach™

Designate staff to become Campus Coaches—champions for student growth who facilitate Labs, mentor groups, support transitions, and strengthen school culture. Certificate of Completion included.

- ✓ Coaching philosophy & relationship strategies
- ✓ Motivation, discussions & implementation
- ✓ Goal setting, leadership & monthly resources

4 Ongoing Partnership

Lasting impact comes from consistent support—not a single lesson.

- ✓ Monthly coaching & program consultation
- ✓ Quarterly strategy meetings
- ✓ Best practices, resource updates & early access
- ✓ Priority support

Ways to become a Partner School

Every partnership begins with a conversation. We'll fit your students, programs, staffing, goals, and timeline—whether you need a single Lab, a full Series, or a campus-wide initiative. Contact us for partnership details tailored to your school.
